Toronto Electrical Utilities Credit Union Partners with CRI Canada

May 11, 2006 - CRI Canada and Toronto Electrical Utilities Credit Union (TEUCU) are pleased to announce that TEUCU has selected CRI Canada as the partner of choice for their creditor insurance program.

Moving to a single supplier was part of TEUCU's strategic evolution in order to streamline operations while maximizing member benefits, and through their evaluation process determined that CRI Canada was the ideal partner to meet those needs. CRI Canada will be TEUCU's exclusive provider for their creditor insurance program through Life Investors Insurance Company of America.

"We are thrilled that our two organizations will have an opportunity to work together in order to meet the needs of their members," said CRI Canada General Manager, Tom Dutta. "We are very impressed with TEUCU's commitment to member service and to their employees, making them an ideal strategic partner for us. CRI Canada has a strong growth strategy in Ontario, and this new partnership further confirms our commitment to the Ontario credit union system."

"A core focus of our mission is to be the preferred provider of choice for essential financial service, and we believe that CRI Canada's superior offerings position us to deliver on this mission," says Diane Kocet, General Manager/CEO, TEUCU. "We were looking for a true strategic partner, and we are very pleased with this decision."

TEUCU is a closed-bond credit union serving employees of the Toronto Hydro, the Electrical Division of the T.T.C. and their immediate families. Helping members reach their financial goals for over 60 years, TEUCU now boasts one of the best reserves of any Credit Union in Ontario.
