Community Savings Credit Union Partners with CRI Canada

July 6, 2006 - CRI Canada and Community Savings Credit Union (CSCU) are pleased to announce that CSCU has selected CRI Canada as the partner of choice for their creditor insurance program.

Community Savings is making a transition to Fincentric Wealthview Banking Software in October and through their evaluation process, CRI Canada emerged as the ideal partner to meet their future creditor insurance needs. CRI Canada is delighted to return as CSCU's exclusive provider for their creditor insurance program through Life Investors Insurance Company of America.

"We are very pleased with this decision," says CRI Canada General Manager, Tom Dutta. "The revitalized leadership, energy and drive at CSCU is a very good business fit for CRI Canada as both organizations continue to move forward and grow."

"It really was not that difficult a decision," says Bruce Cook, President and CEO, CSCU. "CRI Canada has demonstrated a real commitment to providing outstanding service – not only for our members but our staff as well. Their corporate culture and energy best mirrors our member-centric focus and drive."

Originating in 1944, Community Savings has grown to over \$246 million in assets with five branches serving 10,000 members in the lower mainland and Victoria. As a community and union focused organization CSCU provides its members and local communities with financial products of exceptional quality and service
